

PEERLESS MARINE SEATS
BETTER • STRONGER • PEERLESS

Luxury Marine Seats

Available in
Single, Double,
& Triple

We take a great deal of pride in producing the highest quality seating solutions available.

With years of design and manufacturing experience we know what works best and focus on design, craftsmanship, and quality as a rule. Our unique designs in single, double or triple tandem seating are unparalleled.

- The no pinch bolster hinges will give you peace of mind while in operation.
- Peerless seats' flush armrests will give your boat a seamless look when placed in the "up" position.
- With our fiberglass back plates molded to your design, you can truly feel the seats are your own.

“TOTAL-LOK” SLIDE

Peerless Marine Seats' unique design will maintain the slide mechanism in true parallel, always! No more racking or jammed seat slides. Our patent pending design ensures smooth functionality but only when you release the locks! The integrated construction eliminates jamming without any lubrication maintenance...for *total* reliability.

FEATURES

- Polished 316 Stainless Steel Hardware
- 5 Unique Peerless Extrusions
- Delrin Components
- Non-Flat Surface Mounting
- ASTM Standard 500 Hrs Salt Spray Tested
- Positive Lock Tolerances

PEERLESS MARINE SEATS

We take a great deal of pride in producing the highest quality seating solutions available. With years of design and manufacturing experience we know what works best so we focus on design and craftsmanship as a rule. The finish quality in our seats and slides is proof positive.

Peerless only uses the highest quality materials along with very rigid tolerances in our construction techniques. Couple that with cutting edge designs...we truly offer product longevity and total customer satisfaction!
